

Workcoeman Wilderness Experience July 31-August 6

Spend a week exploring the backwoods of Camp Workcoeman and test your high-level outdoor skills. You will shoot black powder rifles and throw tomahawks, just like the pioneers of old. Learn how log cabins are built and help construct a Mahoosuc style shelter. ***You will also have the opportunity to earn Archaeology Merit Badge and the Paul Bunyan Woodsman Award along with either Wilderness Survival Merit Badge or Forestry Merit Badge.***
