Every Wednesday Enfield Scuba and Watersports will offer a full Discover Scuba course. The PADI Discover Scuba Diving program lets Scouts experience the thrill of diving under the supervision of a PADI Professional in confined conditions. During your adventure, you'll master some basic concepts and scuba skills and might even head off to experience an open water adventure. Discover Scuba is open to Scouts and leaders age 13 and over and requires an extra fee of \$50 per-participant. All participants must be in generally good health and complete a PADI required medical history and informed consent form (provided from camp).
