

# CUB SCOUT SUMMER CAMP

## RESIDENT CAMP

Cub Scout Resident Camp is a week long, 5-night/6-day overnight camping experience. This week-long camp provides Scouts the opportunity to delve more deeply into activities and fulfill more rank advancement.

## MINI WEEK

The Mini Week Resident Camp is a 2-night/3-day or 3-night/4-day experience to introduce Cub Scouts to overnight resident camping. Mini Week Camp is a great introduction to the camping experience and will help a Cub Scout gain the confidence to spend a full week at camp.

## DAY CAMP

A five day program perfect for Tiger, Wolf, and Bear Scouts but open to all. Day camp has all the fun of a summer camp experience without the overnight stays. Scouts will have a blast swimming, learning new skills, becoming a top shot on the BB and archery ranges, learning new games on the Sports Field, and having fun making crafts to bring home.

## WHAT WILL MY SCOUT BE DOING

Fishing, hiking, astronomy, scout skills, fun yaks, campfires, cooking and a wilderness trek are just a few of the programs that your son will participate in!

Each year the program is centered around a theme. The program activities are designed to follow that theme transforming the camp into a special world of a Hawaiian Paradise, The Wild West or Spies and Secret Agents to name a few. This year's theme will be announced soon.

Scouts will also have time to work on advancement and make fast friends from all over Connecticut!

During Resident Camp, your family is invited to spend the afternoon with your Scout and attend our Blue and Gold Bar-B-Que which will wrap-up the week.
