

CAMP WORKCOEMAN SCUBA PROGRAM

DISCOVER SCUBA

In conjunction with Enfield Scuba and Watersports in Enfield, CT, Camp Workcoeman will offer weekly Discover Scuba courses at camp. Every Wednesday, PADI certified instructors will come to camp and offer the course, which lets you experience the thrill of diving under the supervision of a PADI Professional in confined conditions. During your adventure, you'll master some basic concepts and scuba skills and will experience an open water adventure.

The weekly course is open to Scouts and Scouters age 13 and over and requires an extra fee of \$50 per participant. Anyone interested should sign up early as space is limited.

All participants must be in generally good health and complete a PADI required medical history and informed consent form (provided from camp).

PADI OPEN WATER CERTIFICATION

During the third and fifth weeks of Scout camp, instructors from Enfield Scuba and Watersports will offer a full PADI Open Water certification course. The cost of the full certification course is \$530, which includes the course fee and covers a full week's stay at camp. Scouts will also work on BSA's Scuba Merit Badge and have the opportunity to work on additional PADI programs offered by Enfield Scuba and Watersports.

For individuals who have already received PADI Open Water Certification, Enfield Dive instructors will also offer the following Adventure Diving Certifications:

- Navigation
- Underwater Photography
- Peak Performance Buoyancy
- Naturalist
- Night Diver

Adventure Diving Certifications are scheduled for Sunday – Wednesday for an additional fee of \$350 per course.
