2023

PROGRAM GUIDE

Charter Oak District

Camp Workcoeman

Welcome to Webelos Woods!

Dear Parents and Leaders,

Thank you for registering for Webelos Woods! The Charter Oak District Cub Program Committee and the Camp Workcoeman staff have joined forces to offer Webelos Woods coming up on September 29th-October 1st, 2023. This program is open to any Webelos or Arrow of Light Scout (usually fourth and fifth graders), their parents, and den leadership. Scouts may attend with their den or individually with a parent. The goal of Webelos Woods is to engage these older Cub Scouts in an outdoor adventure in an effort to prepare them to 'crossover' into a Scout Troop.

Please check out the 'FAQs' listed below to get a strong idea about what is in store for this great Scouting program!

Yours in Scouting,

Ricki Ann Levesque

Frequently Asked Questions (FAQ)

Q: What is Webelos Woods?

A: Webelos Woods Program is designed to provide Scouts, den leaders, and parents with the resources that mostly, but not completely, satisfy the requirements for Webelos/AOL adventure badges that are best done in a camp setting. Each adventure badge will be taught by an experienced and talented adult, who is trained and prepared to work with Cub Scouts. Other 'specialty programs' will be offered that can further and support a Scout's experience both in providing instruction and enjoyment.

A complete listing of the adventure badges and specialty programs that can be signed up for, along with a full weekend schedule can be found later in this program guide.

Q: How is food coordinated?

A: Three meals will be provided on Saturday: these meals include breakfast, lunch, and dinner and are included as part of your registration fee. Participants should plan on arriving on Friday with dinner or having already eaten. Participants should also plan with their unit for a 'Get up and Go' breakfast on Sunday.

All camp provided meals will be served out of the camp kitchen and dining hall within the guidelines of Camp Food Services. *Note: Cast Iron Chef participants will have additional information relating to cooking requirements and food needs.*

Q: What will the check-in process be?

A: Check-in will begin Friday, September 29th at Camp Workcoeman (169 Camp Workcoeman Road, New Hartford, CT 06057) at 6:00 PM and run until 8:00 PM. Every adult and Scout participant will need to check-in with the health team stationed at the Camp Chapel (large pavilion next to the parking lot). Required forms include parts A, B, & D of the medical form for both Scouts and adults. Both forms are included with this program guide.

Q: What are the camp amenities?

A: Drinking Water will be available in the camp latrines located at each campsite. Units are expected to maintain clean latrines; toilet paper is provided. Campsites have fire rings and platforms. Personal tents may be set up on platforms or on the ground, whichever the participants prefer.

Q: Can my Scout come for Saturday only, with no overnight?

A: Although we recommend the overnight experience as it allows your Scout to participate in the complete program and prepares them for Scouting at the troop level, 'day only' participation is allowed. Check-in for any Scouts and adults coming for the day will be held from 7:00 AM to 8:00 AM on Saturday morning, Scouts looking to have breakfast should plan on arriving by 7:30 AM at the latest. The same health forms and registration required for overnight participants will be required from day participants.

Q: How do I select the adventure badges and specialty activities for Scouts?

A: All den leaders and/or parents will receive a Google Form to select adventure badges and specialty activities for their Scouts at Webelos Woods. In total there are five different program sessions where there will be a series of activity badges and specialty programs for Scouts to select amongst. A complete listing of these options is included in this program guide; please note that some activities are scheduled to run as a 'double session.' All badge and activity selections are due by Saturday, September 19th, so please plan ahead. Any dens selecting activities after this date, will be provided with a pre-determined schedule of activities.

Webelos Woods patches and individual advancement achievement cards listing what each Scout earned will be presented during the campwide campfire on Saturday night. Units will receive a consolidated report via email.

Additional Opportunities

Did you know that Camp Workcoeman offers activities for Cub Scouts and Scouts BSA throughout the year? The camp is open for unit camping year-round with campsites and cabins available. Be sure to check out <https://campworkcoeman.org/> for more information and to register.

Who needs a completed medical form?

All participants need parts A, B, and D of the BSA Annual Health & Medical Record form completed and submitted along with any applicable Medication Administration and Food Allergy Treatment Plan forms. *Remember to make copies of all forms before submitting.*

Check the following before submitting medical forms:

Part A:

- This form is permission for the camper to participate in camp activities and also stipulates who may or may not remove the camper from camp.

Part B1:

- *Note:* This information must be completed even if you are using a state (school) physical form.
- Telephone Number: Camper's home phone number; mobile phone is a parent's mobile number
- Unit Leader: Scoutmaster or Cubmaster
- Council: CRC/066
- Unit: Troop, Pack, or Crew number
- Your health insurance company and member ID are critical if the camper or staffer must go to the urgent care center or emergency room. (We no longer need a copy of your health insurance card.)
- Health History

Part B2:

- *Allergies:* Does the camper have allergic reactions to food, medications, plants, and/or insects that could require medical treatment? If the answer is yes to any of the allergens, an Emergency Treatment Plan for Allergic Reactions form from the examining Physician/PA/APRN must be attached to the physical form.
- Immunization history with dates or a copy of immunization history from doctor's office. If using a copy of the immunization history, it must be a legible copy signed and dated by the physician. Your health care provider may write "Up-To-Date" and sign in the box.

- Tetanus must be within 10 years.

- *Medications:* This form is used by the BSA nationally, but Connecticut has special requirements for the administration of medications in camps, schools, etc. In Part D, there is a listing of medications that can be administered at camp without a physician's order. It is very limited. For all other medications, both prescribed and over the counter, an Authorization for Administration of Medication form must be completed, signed, and dated by the physician and parent. A separate form is required for each medication. *Note:* All medications must be physically checked by the nurse at check-in.

Part D – Connecticut Rivers Addendum:

- Completed, *signed*, and *dated* by parent, guardian, or self.

Medication Notes:

- If a camper is only prescribed emergency allergy medication (i.e., Epi-Pen or Rescue Inhaler), then only the Emergency Treatment Plan for Allergic Reactions form is required. The Authorization for Administration of Medications form is not required.
