## *A few words from our Fearless Leader...*

"Fellow Citizens, I hope your early Summer plans are coming together nicely. I know mine are!

Just a quick note this time to thank you all for your yeoman efforts this Spring at the workdays we've held at Camp Workcoeman. Our recent Steak and Chicken BBQ was again a great success! We raised several thousand dollars to have available to help the Ranger keep our Camp maintained and in tip-top shape for all!

We accomplished a lot, but there is always sooooo much more to do and we need sooooo many more hands to get the work done. Please look around for more helpers and bring them to every workday that they can make! AND... starting with the June workday going forward in 2023 and into 2024 we'll be providing lunch to all every time! (no, it's not just pizza either)

Summer 2023 will be busy and exciting at Camp so feel free to come often! If you are able, join with some of our Shawtown members who will also be volunteering as STAFF members at camp this year. If you are interested in helping out also in that way, please contact Lou Seiser at [lseiser@campworkcoeman.org](mailto:lseiser@campworkcoeman.org).

Don't forget, planning has already begun for the Camp's 100th Anniversary celebration in 2024.

See you at Workcoeman.

Brian"
