

CAMP WORKCOEMAN

Wilderness First Aid Training

Friday, June 7 - Sunday, June 9, 2024

This training is designed to provide you with the skills to assess and provide treatment to an ill or injured person in a remote environment where care by a professional is not available. Here, you will learn how to assess, treat and when possible, prevent medical and traumatic emergencies within the scope of your training.

This training will consist of group discussions and skill instruction, followed by scenarios where you will put your skills to the test. This course will follow the Boy Scouts of America Wilderness First Aid Curriculum and Doctrine Guidelines. This course is required for adults serving as 'Scoutmasters' for the National Jamboree or on any of the BSA High Adventure Bases.

CPR certification is a prerequisite for all participants. CPR certification will be conducted on Friday evening, June 7 at 6:00 PM for those not certified.

The list of WFA training options available on this weekend will consist of:

A. Wilderness First Aid Certification

\$225 (participant is already certified in CPR) **

Arrive Fri night at 5:30-6:00 or Sat morning at 7:30 AM, start 8 AM Saturday
