Acting Chairman's Corner:

Greetings All,

As of September 1, I am honored to take on the role of Acting Chairman for Citizens of Shawtown. In this position, my primary goal is to foster a brighter future for our beloved camp through community engagement and meaningful projects. I'm committed to creating a larger board and enhancing our fundraising efforts. One of my key initiatives will be the upkeep and maintenance of our existing buildings, which are essential for preserving the camp's charm and functionality. To achieve these goals, I invite everyone to join me in our monthly workdays, bi-yearly work weekends, and special retiree workdays. These events will not only help maintain our facilities but also strengthen our community bonds. We will be promoting these opportunities through Facebook, email, and personal outreach. To make our workdays even more inviting, we will be providing free meals, ensuring that we create a fun and welcoming atmosphere for all. Together, let's work hand in hand to ensure a successful future for our beloved camp!

Join us for the Camp Workcoeman, Citizens of Shawtown Fellowship Work Weekend from October 25th to 27th as we wrap up our 100th anniversary celebrations! This is a wonderful opportunity to connect with fellow friends and family while helping enhance our beloved camp. Whether you're skilled in carpentry, painting, or just eager to lend a hand, your contributions are invaluable. Enjoy camaraderie, fun activities, and the beauty of the fall season. Meals and lodging are included, so come ready to work and celebrate a century of memories! Please sign up online on the camp page or use the QR code on this flyer. Don't miss out—bring your energy and spirit!

Yours in Scouting,

Daron Colgan

Truck Wanted: Looking for the donation of a gently used Pickup for camp. 2X2 or 4X4 ok but must be in good running order, as we do not have the funds to do even some medium or major repairs to it.

If a 4X4, a plow would be a great plus but not necessary. We can provide any donor with an appropriate tax donation document, as the Council is a 501(c) organization.

Get some new/old Shawtown swag. We have recently stumbled upon some "historic" hats. You can have your own in green or red for a low price of \$10. The newest addition to the Shawtown collection is our black t-shirt. We are selling them for \$25.

Any contribution to the organization is much appreciated.
